Heat Wave conditions are likely during next 4 to 5 Days

Pakistan Meteorological Department (PMD) has issued a Press Release stating that the day temperatures are likely to remain usually high in most parts of the country during next 4 to 5 days.

- Day temperatures in Islamabad, Punjab, Khyber Pakhtunkhwa, Kashmir, Sindh and Eastern Balochistan are expected to rise significantly above normal. Occasional dust storm/dust raising winds may also occur in afternoon/evening during the period.
- The heatwave is likely to be followed by the rain spell in upper and central parts of the country.

Possible Impacts:

- Dry period and heatwave conditions in the country may cause water stress to the standing crops, vegetable and orchards.
- General public is advised not to venture in the direct sunlight.
- Precautions should be taken to avoid heatstroke.

(Engr Sibte Hassan)
